

GSS FULL MEMBERSHIP

GLASGOW
SCULPTURE
STUDIOS

Full Membership is for professional practicing artists with a sculptural/materials-based practice, who require access to dedicated areas for the exploration and fabrication of artworks.

Benefits include:

- Access to production facilities and equipment at full members rate
- Free bi-weekly news and opportunities e-newsletter
- Free exhibition advertisement via bi-weekly news and opportunities e-newsletter
- Free online profile
- Free Media Suite use (except Rhino and Adobe CS6 which is charged at session rate)
- Opportunity to display work as part of GSS' annual Open Day
- Opportunity to apply to advise within the GSS' Operations or Programme Advisory Groups
- 15% discount on courses arranged via the education programme
- Invitation to openings of GSS exhibitions
- Invitation to free members talks and artist talks as part of the public programme
- Advice and support from the GSS Production Facility, Programme and Management team
- Inductions into specialist technical areas and equipment
- Discounts on various products and services. Membership cards must be presented to be eligible for a discount

Eligibility criteria - please demonstrate:

1. A commitment to contemporary sculptural practices
2. Quality of artistic practice
3. A need for access to communal production facilities
4. Willingness to actively contribute artistically, intellectually and socially to the shared vision and ethos of GSS
5. A demonstration of how access to the facilities will contribute to the development of the applicants' career

GSS PRODUCTION FACILITIES

GLASGOW
SCULPTURE
STUDIOS

This facility houses high-spec industrial standard equipment in zoned work bays (4m X 3m) to offer flexible fabrication environments. This enables Members to work alongside other arts professionals who specialise in a wide range of contemporary sculptural processes, encouraging informal mentoring and share of information and technical knowledge.

Subsidised charges payable in addition to annual Membership fee:

- **Wood Workshop** (radial arm circular saw, pillar drill, wood lathe, band saw, sanding machine, planer thicknesser and 3 meter table saw)
- **Metal Workshop** (piranha iron worker, cold saw, mig welding, TIG welder, oxy-acetylene cutting & welding equipment, guillotine, box bending machine, pillar drill, chop saw & plasma cutter, finisher)
- **Assembly Area** (for fabrication/ construction of large scale works/projects)
- **Digital Production Lab** (CNC router+ 3D scanner coming soon)
- **Resin & Spray Room** (extraction and spray booth)
- **Ceramics Workshop** (2 electric kilns and basic facilities)
- **Plaster Room** (sinks, specialist work benches, mixing facilities)
